

Animal Social Services?

Imagine a place where like-minded animal advocates make resources available for animal surrender intervention. Our "Animal Social Services" program will have a food pantry for those that are having difficulties feeding their pets, an inexpensive high-volume spay/neuter and vaccination clinic and other resources available for people having trouble keeping their pets...

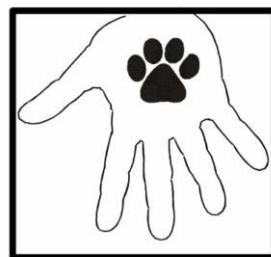

Imagine a place where **your children** can come and learn about proper pet care, animal attack prevention and wildlife safety... A place where **you** can learn about pet first aid, pet preparedness in case of a disaster and even professional dog training opportunities.

How can you help?

We are currently in the process of securing a building to begin our Bridgeport Animal Resource Center. The old Whittier School in Black Rock is the perfect place to launch BARC and bring this center to Bridgeport! The Bridgeport Animal Shelter is the largest in the State of Connecticut and is truly burdened with too many animals. Sometimes it is best to assist pet owners who sometimes just need a little help, support and education to keep their pets out of shelters. If you are a Bridgeport resident, please contact your City Council Representative and let them know this is a win-win not only of Bridgeport but also for the entire State of Connecticut. If you live outside of Bridgeport, please sign our online petition which is available on our website. www.ahandforapaw.org.

Who's my City Council
Representative?
Legislative Services
999 Broad Street
Bridgeport, CT 06604
Phone: (203) 332-3009
Fax: (203) 332-3013

Thank you!
